Dear Dr. Moon:

The Federal Bureau of Investigation (FBI) Criminal Justice Information Services (CJIS) Division has completed a review of the testing information submitted by Suprema, Inc. This review was conducted by representatives of the FBI and the MITRE Corporation's image processing laboratory located in Bedford, Massachusetts. Based on the results of this review, the FBI certifies that the equipment listed on the attached certificate is in compliance with the FBI CJIS Division's Integrated Automated Fingerprint Identification System Image Quality Specifications (IQS) as listed on the certificate.

With regard to this certification, this letter does not serve as proof of the certification and should not be posted on a public-facing Web site. Enclosed is a certificate that may be posted as proof of certification. Additionally, you may include the following statement in informational materials about this product: *The FBI has certified that this product meets specifications listed in Personal Identity Verification (PIV) Single Finger Capture Device Specifications of the FBI's Integrated Automated Fingerprint Identification Systems Image Quality Specifications.* You may not use the name or initials of the FBI in any other manner unless specifically authorized to do so. This letter does not authorize you to use the FBI's official seal for any purpose. This product certification survives any change in company name or ownership.

Please direct any questions regarding this certification to Mr. Eric M. Phillips, at (304) 625-4531 or by e-mail at <eric.phillips@leo.gov>.

Sincerely yours,

Jerome M. Pender  
Deputy Assistant Director  
Information Services Branch
